MDSS Panel Discussion

2011 Road Weather Management Stakeholder Meeting
Thursday 8 September 2011

Ray Murphy
FHWA, Office of Technical Services
MDSS PANEL MEMBERS

1. Mike Adams, Wisconsin DOT;

2. Michael Chapman, NCAR/RAL;

3. Luis Azcuen Rodríguez and José Carlos, Subdirección General de Conservación - Ministerio de Fomento, Paseo de la Castellana;

4. Alan Hanscom, New Hampshire DOT;

5. Troy Whitworth, Kansas DOT
MDSS Panel Discussion

- What is the motivation for MDSS implementation?
- What is your organization’s greatest benefit from utilizing the MDSS technology?
- What are the costs associated with implementation of AVL technology for MDSS feedback? Is a manual process for field feedback a viable alternative?

MDSS PANEL MEMBERS
1. Mike Adams, Wisconsin DOT;
2. Michael Chapman, NCAR/RAL;
3. Luis Azcue Rodríguez and José Carlos, Subdirección General de Conservación Ministerio de Fomento, Paseo de la Castellana;
4. Alan Hanscom, New Hampshire DOT;
5. Troy Whitworth, Kansas DOT
MDSS Panel Discussion

• Training - involving new staff - any challenges with the interface; does MDSS change the way staff uses the information?

• How important is an end-to-end solution, including radar, current observations, associated weather graphics, alerting technology, mobile device support, etc. to fully implementing an MDSS solution within your organization?

MDSS PANEL MEMBERS
1. Mike Adams, Wisconsin DOT;
2. Michael Chapman, NCAR/RAL;
3. Luis Azcue Rodríguez and José Carlos, Subdirección General de Conservación Ministerio de Fomento, Paseo de la Castellana;
4. Alan Hanscom, New Hampshire DOT;
5. Troy Whitworth, Kansas DOT
MDSS Panel Discussion

• Could you share with us your organizational budgetary concerns in order to support continued advancements in MDSS technology development?

• User groups use the MDSS system differently - could you share your perspectives on where we can improve the system?

MDSS PANEL MEMBERS
1. Mike Adams, Wisconsin DOT;
2. Michael Chapman, NCAR/RAL;
3. Luis Azcue Rodríguez and José Carlos, Subdirección General de Conservación Ministerio de Fomento, Paseo de la Castellana;
4. Alan Hanscom, New Hampshire DOT;
5. Troy Whitworth, Kansas DOT
MDSS Panel Discussion

Let’s give our panel members a round of applause - thank you!
